Communication Policy Procedures

We recommend that in the first instance, parents contact the Pastoral Care (PC) teacher for assistance, support and clarification. In most instances the PC teacher is best positioned to communicate meaningfully with a parent or guardian.

If the matter relates to a specific subject class, parents are asked to contact the subject teacher in the first instance.

Contacting a Teacher

When a parent wishes to contact a teacher to discuss matters relating to their child, the following process is recommended:

- Email is the preferred method to either discuss the matter or to arrange a suitable time to meet and discuss the matter with your child's teacher.
- If urgent, please telephone the college, briefly outlining the matter, and our administration staff will redirect your call as required.

Response from a Teacher

Our teachers are required to respond quickly to parent emails and messages in the following ways:

- Acknowledge emails or messages within 24 hours (excepting weekends/public holidays) and if necessary, arrange a mutually suitable meeting time.
- Supply a written response via email within 48 hours (excepting weekends/public holidays) of email being received.

Escalation and Further Resolution

Should your matter remain unresolved after communication with the teacher and requires communication with the relevant Pastoral or Curriculum Leader, then the following procedure is recommended:

- If urgent, please telephone the college office, briefly outlining the matter, and our administration staff will redirect your call to the relevant Pastoral or Curriculum Leader.
- If the matter is not urgent, email is the preferred method to arrange a suitable time to meet and discuss the matter. Your email will be responded to within 24 hours of being received.
- If the matter is not resolved, then follow the Grievance Procedure.

Issues Arising Between Students and Families

We do not condone parents approaching the children of other families or their parents with a school related or non-school related issue. Such matters should be addressed to the Pastoral Care teacher in the first instance and not discussed with other persons.
