

Annual Improvement Plan 2025

Explicit Improvement Agenda (EIA):

Teachers using impactful pedagogy to engage all students meaningfully in learning.

GOAL ONE

Strategies for maximising impact are embedded into our common practice.

To achieve this goal, we will:

1. Provide time for Curriculum Leaders to discern which strategies will be a focus for their curriculum area. Curriculum Leaders will lead the focus on this through each of their meetings.
2. Check in at each Teaching and Learning meeting to monitor progress.
3. Run focus groups with students to monitor their ability to name and use strategies and how they improve their learning.

GOAL TWO

Refresh PB4L framework with staff.

To achieve this goal, we will:

1. Re-launch PB4L with all staff at the start of the year.
2. Provide staff with resources to support their use of PB4L and offer one-to-one support if required to help staff incorporate PB4L into their classroom teaching practice.
3. Roster regular meetings of the various PB4L 'teams' to monitor the progress of the supports on offer.

GOAL THREE

Enhance the prayer life of the College.

To achieve this goal, we will:

1. Have staff Professional Learning sessions on Prayer.
2. Have staff build prayer understanding and actions with students.
3. Follow RE TLAPS that include explicit teaching of prayer.
