

2026 Scholarship Application

Our Scholarships are acknowledging the whole formation of the young person at our College. We believe the scholarships encourages learning opportunities, academic excellence, diversity, and the creativity of thinking for students who in turn, will make a significant contribution to the life of the College. Beyond St Benedict's we believe this opportunity continues our work to grow young people ready to leave our College making significant contributions to our world/community.

Our scholarships recognise the high accomplishments students are making as they move through their time at the College. It rewards and supports our students' commitment to their formation in a holistic education.

Selection criteria for Scholarships Years 7-12

- Currently enrolled at the College or confirmed enrolment for 2026
- Consistently high academic application / achievement
- Excellent work ethic as demonstrated in school reports
- Excellent behaviour and attendance
- Actively participating in co-curricular activities
- Actively participating in the community
- Actively being involved at College functions and events
- Qualities exhibited represent the ethos and values of St Benedict's College of Service, Balance and Community

Scholarship Conditions
